ELITE REDFISH SERIES

TEAM VISION 2021

In 2021 The Elite Redfish Series Team Tour will take some of what made the EFL exciting and added the competitive edge to the circuit. The 2021 ERS will produce **Round 1 in Louisiana March 27-28** as part of a festi-val / large format event and **Round 2 in Texas August 13-14**.

Teams will be notified of exact tournament location on Monday the week of the event and can practice Tuesday, Wednesday and Thursday with the tournament taking place Friday and Saturday. Monday week of the event is closed to practice.

Each event will be a 2 day aggregate weight tournament and have a 3 fish limit with 1 fish allowed per day (in both LA and TX) up to 30". Texas anglers will need a valid oversize permit/tag for each day.

Each round will payback 1st, 2nd and 3rd with Elite Top Team (team of the year) awards paying the top 10 teams in points after just 2 rounds. The ERS point system is designed to keep all teams *in it* until the last fish is weighed in round 2.

1st - 200 points 2nd - 199 points - 3rd 198 points - 4th 197 points - 5th 196 points. All other teams weighing at least 1 fish receive 195 points. The worst possible finish for a team weighing at least 1 fish is tied for 6th.

The entry fees are \$5,000.00 per team total for the 2 rounds. Calcutta/side pots will be offered at each event for those teams that want to fish for extra cash.

The first 25 teams to register will be guaranteed a spot in the field, more may be added.
